Re: Electronic Visit Verification (EVV) System January 1, 2024 Go-Live

As we prepare for the 2024 EVV Go-Live, HHAeXchange is hosting additional training webinars to help you prepare.

Please join HHAeXchange for a webinar to address the upcoming January 1, 2024, Home Health Care Services (HHCS) EVV Go-Live. The webinar is meant for Providers who administer HHCS services and will cover the following:

- Requirements of the managed care organizations (MCOs)
- How to create services for Members/Participants without a prior authorization
- Tips for success with EVV.

Please register and attend the date which works best for you; both sessions will cover the same topics. The webinars will also be recorded and posted to the Pennsylvania Home Health Provider Info Center once completed at <https://www.hhaexchange.com/info-hub/pennsylvania-home-health>.
