Re: Update to the online pharmacy prior authorization request form

As of October 1, 2024, the links to the online general pharmacy prior authorization form located at $\underline{www.keystonefirstpa.com} \rightarrow Pharmacy \rightarrow Prior authorization \rightarrow Online prior authorization request form and <math>\underline{www.keystonefirstchc.com} \rightarrow For Providers \rightarrow Pharmacy services \rightarrow Pharmacy prior authorizations \rightarrow Online prior authorization request form will no longer be available. However, electronic, faxed, and telephonic prior authorization requests will still be accepted.$

Providers can submit electronic prior authorization (ePA) requests either through their electronic health record (EHR) tool software or via the following online portals:

- CoverMyMeds
- <u>Surescripts</u>
